CHARLOTTE COUNTY, FLORIDA BEGINS E-RECORDING WITH SIMPLIFILE

CHARLOTTE COUNTY, FLORIDA – September 11, 2009 – Simplifile today announced that Barbara T. Scott, Clerk of the Circuit Court, Charlotte County, Florida, officially began electronically recording (e-recording) land record documents such as deeds, mortgages, liens etc. submitted by title companies, banks, and attorneys through the Simplifile e-recording service.

The first electronic recording in Charlotte County, a Deed, occurred on September 8, 2009, by Stewart Title. This first electronic recording ushered in the e-recording of documents by title companies, banks, and attorneys to the Charlotte County Clerk of the Circuit Court office through the Simplifile e-recording service.

E-Recording is the process of submitting, receiving, and processing documents for recording via the Internet that have traditionally been sent to the County for recording by runner, express mail, or courier service. E-Recording simplifies and accelerates all aspects of the recording process and dramatically improves the County's ability to serve its constituents.

"Electronically submitting documents to the Clerk of the Circuit Court's office allows us to reduce the time from the closing to recording," said Nacole Klootwyk, Vice President of Florida Operations for Stewart Title. "This creates a more efficient process for everyone involved in the transaction. Because Stewart's mission is to deliver a magnificent customer experience, having new homeowners walk away from their real estate closing with their recorded deed and owner's policy is invaluable."

The Charlotte County Clerk of the Circuit Court office is hosting an e-recording kick-off meeting to introduce the public to e-recording on Tuesday, September 15, 2009 at 10:00 a.m. at the Charlotte County Justice Center at 350 E Marion Avenue, in Punta Gorda, Florida. Pat Sponem, Simplifile Account Executive, will be in attendance to demonstrate the system and to conduct a question and answer session. To RSVP for the kick-off meeting, please contact Pat Sponem by email at pat@simplifile.com or at (561) 376-9471 to let her know how many from your office will be in attendance.

"The Charlotte County Clerk of the Circuit Court office is pleased to work with Simplifile to provide e-recording for land record documents," said Charlotte County Clerk of the Circuit Court, Barbara T. Scott. "We believe that e-recording enables us to more efficiently record documents. And, e-recording customers working with Simplifile can record and track the status of documents from the convenience of their offices, using a web browser."

"Simplifile is excited to partner with the Charlotte County Clerk of the Circuit Court office to provide e-recording services to their customers. The Charlotte County Clerk of the Circuit Court, Barbara T. Scott, and her staff continue to demonstrate leadership by making the land record submission and recording process easier, more secure, and cost-effective through the use of technology," said Paul Clifford, President of Simplifile. "Organizations doing business with the Charlotte County Clerk of the Circuit Court office will enjoy time savings, cost savings, and productivity gains by e-recording with Simplifile."

About Simplifile

Simplifile provides innovative, simple, and secure electronic recording services via the Internet for a wide variety of customers, including title companies, banks, attorneys, lien filers, and County and State government jurisdictions. Simplifile e-recording services accelerate document recording and simplify document workflow processes, significantly reducing costly overhead associated with traditional submission and recordation methods while dramatically improving client service levels.

Simplifile is focused on building the industry's de facto e-recording network. As such, Simplifile provides a streamlined and scalable approach to electronic recording for organizations of all shapes and sizes.
