SIMPLIFILE AND COMPUTER PROFESSIONALS UNLIMITED FORM STRATEGIC ALLIANCE

PROVO, UTAH – April 22, 2010 – Simplifile, the leader in e-recording, and Computer Professional Unlimited, Inc., a provider of customized programming and support, announced the formation of a strategic alliance between the two companies and the integration of Recorders Package into the Simplifile e-recording network.

The newly formed partnership will allow counties that use Recorders Package to electronically record (e-recording) land record documents such as deeds, mortgages, and reconveyances submitted by title companies, abstractors, banks, and attorneys through the Simplifile E-Recording Service. The strategic alliance also provides for Simplifile and Computer Professionals Unlimited to cooperatively market the alliance and resulting services to their mutual customers.

“Computer Professionals is very excited about their partnership with Simplifile and has found their staff to be professional, knowledgeable, and helpful when providing solutions to our customers,” said Chad Swanson, President of Computer Professionals Unlimited.

“Simplifile is pleased to work with Computer Professionals Unlimited to automate the document recording process,” said Erik Blomquist, Simplifile Vice President of Technology. “Computer Professionals Unlimited provides customized programming and support with many counties in Minnesota and North Dakota. By integrating Computer Professionals Unlimited’s Recorders Package into the Simplifile e-recording network, the combined offering brings the benefits of e-recording to key markets nationwide.”

About Simplifile

Simplifile provides innovative, simple, and secure electronic recording services via the Internet. Simplifile’s customers include title companies, banks, attorneys, lien filers, and county and state government jurisdictions. Simplifile electronic recording services accelerate document recording and simplifies document workflow processes that reduces costly overhead associated with traditional submission and recordation methods while improving client service levels.

Simplifile is focused on building the industry’s de facto electronic recording network. As such, Simplifile provides a streamlined and scalable approach to electronic recording tailored to organizations of all shapes and sizes. For more information on how Simplifile can benefit your organization, visit www.simplifile.com or call 801.373.0151.
