SIMPLIFILE AND SOFTPRO FORM STRATEGIC ALLIANCE

PROVO, UTAH – April 22, 2010 – Simplifile, the leader in e-recording, and LPS SoftPro, the nation's leading provider of real estate closing and title insurance software, announced the formation of a strategic alliance between the two companies with the integration of Simplifile e-recording network into SoftPro 360.

The newly formed partnership will allow users of SoftPro 360 to electronically record (e-recording) land record documents such as deeds, mortgages, and reconveyances submitted by title companies, abstractors, banks, and attorneys through the Simplifile E-Recording Service. The strategic alliance also provides for Simplifile and LPS SoftPro to cooperatively market the alliance and resulting services to their mutual customers.

"SoftPro is very excited to work with Simplifile to make eRecording easier for SoftPro customers," said Jason Vander Vlies, SoftPro Vice President of Business Integrations. "Integrating SoftPro 360 with Simplifile has resulted in huge efficiencies for our customers that can also translate into big savings."

"Simplifile is pleased to work with SoftPro to automate the document recording process," said Erik Blomquist, Simplifile Vice President of Technology. "SoftPro is a national provider of real estate closing and title insurance software. By integrating Simplifile into SoftPro 360, the combined offering brings the benefits of e-recording to key markets nationwide."

About Simplifile

Simplifile provides innovative, simple, and secure electronic recording services via the Internet. Simplifile's customers include title companies, banks, attorneys, lien filers, and county and state government jurisdictions. Simplifile electronic recording services accelerate document recording and simplify document workflow processes that reduce costly overhead associated with traditional submission and recordation methods while improving client service levels.

Simplifile is focused on building the industry's de facto electronic recording network. As such, Simplifile provides a streamlined and scalable approach to electronic recording tailored to

organizations of all shapes and sizes. For more information on how Simplifile can benefit your organization, visit www.simplifile.com or call 801.373.0151.

About LPS SoftPro

Lender Processing Services, Inc. (LPS) is a leading provider of integrated technology and services to the mortgage industry. SoftPro, a division of Lender Processing Services, is the nation's leading provider of real estate closing and title insurance software. With more than 13,000 customer sites and over 50,000 users nationwide, this award-winning software offers a suite of products designed to increase volume and revenue by reducing the time it takes to do closings. SoftPro has been an American Business Award Winner for three straight years for their outstanding Customer Service, Support and Product Development.

Simplifile is a registered service mark of Simplifile, LC.
