SIMPLIFILE AND WASATCH DATA FORM STRATEGIC ALLIANCE

PROVO, UTAH – April 22, 2010 – Simplifile, the leader in e-recording, and Wasatch Data, LLC, a provider of software solutions for the title insurance industry, announced the formation of a strategic alliance between the two companies and the integration of TurboTitle into the Simplifile e-recording network.

The newly formed partnership will allow counties that use TurboTitle to electronically record (e-recording) land record documents such as deeds, mortgages, and reconveyances submitted by title companies, abstractors, banks, and attorneys through the Simplifile E-Recording Service. The strategic alliance also provides for Simplifile and Wasatch Data to cooperatively market the alliance and resulting services to their mutual customers.

"Wasatch Data and our customers are excited about Simplifile support within TurboTitle. Simplifile provides a great service that truly simplifies the recording process. By using Simplifile our customers save time handling the recording process. Now that they can use Simplifile within TurboTitle that time savings is enhanced," said Mitch Godfrey, President of Wasatch Data.

"Simplifile is pleased to work with Wasatch Data to automate the document recording process," said Erik Blomquist, Simplifile Vice President of Technology. "Wasatch Data provides software solutions for the title insurance industry nationwide. By integrating Wasatch Data's TurboTitle into the Simplifile e-recording network, the combined offering brings the benefits of e-recording to key markets nationwide."
